

COLEGIO GIOCOSA CICLO ESCOLAR 2020-2021

CARMELINA DÁVILA COUTURIER

INGLÉS

SECUNDARIA

I'm a certified English teacher. I have been teaching English for over 40 years and I have worked in Giocosa for 18 years. I have been the English Coordinator since 2018.

I have always been the teacher for the A levels and have taught from kindergarten to high school.

I believe that if children are exposed to the language all the time, it is easier for them to get it, so at school I only speak English.

For some years now, some of my students have taken Cambridge Exams with very good results and that is something I'm proud of.

I enjoy teaching English very much and I'm always looking for better and more interactive ways to teach.

This year students will be required to watch videos, read texts and articles before the class in order to be ready to participate in class. Most of the practice will be done in class: having discussions, debates and presentations. They will also have some homework to review and consolidate what we have seen.

It is really important that they check Gionet and School Control regularly.

I'm really looking forward to seeing all my students again. I can't wait to start classes.
